HELIX NEBULA Initiative
HELIX NEBULA The Science Cloud

Dr Helge Meinhard / CERN-IT
RDA Deutschland
28-Nov-2016
Helix Nebula Initiative (HNI)

- Founded five years ago
- More than 40 service providers, research organisations, data providers, publicly-funded e-infrastructures
- Developed a hybrid cloud model
  - Includes procurement and governance components
HELIX NEBULA The Science Cloud

- Procurers: CERN, CNRS, DESY, EMBL-EBI, ESRF, IFAE, INFN, KIT, SURFSara, STFC
- Experts: Trust-IT & EGI.eu
- Procurers have committed funds (>1.6M€), manpower, use-cases with applications & data, in-house IT resources

Objective: procure innovative IaaS level cloud services

- Fully and seamlessly integrating commercial cloud (IaaS) resources with in-house resources and European e-Infrastructures
- To form a hybrid cloud platform for science

Services will be made available to end-users from many research communities: High-energy physics, astronomy, life sciences, neutron/photon sciences, long tail of science

Co-funded via H2020 (Jan’16-Jun’18) as a Pre-Commercial Procurement (PCP) project: Grant Agreement 687614, total procurement volume: >5M€
HNSciCloud – Challenges

Compute
- Mostly HTC, integrating some HPC requirements

Storage
- Caching at provider’s site, if possible automatically (avoid managed storage)

Network
- Connection via GÉANT
- Support of identity federation (eduGAIN) for IT managers

Procurement
- Match of cloud providers’ business model with public procurement rules
HNSciCloud – Current Status

- Official start of project: Jan 2016, duration: 30 months
- Tender announced in Jan 2016
- 17-Mar-2016: Open market consultation
- 21-Jul-2016: Tender issued (> 200 downloads, > 70 requests for clarification)
- 07-Sep-2016: Tender information day – design phase
- 19-Sep-2016: Deadline for tender replies
  - Sufficient number of valid tenders received
  - Evaluation by administrative and technical experts
- 07-Oct-2016: Award decision, contracts
  - Consortia led by T-Systems; IBM; RHEA; INDRA
- 02-Nov-2016: Kick-off meeting with Phase 1 contractors
HNSciCloud – Contacts
